RE: *United States v. Jose Baez*, 19 Cr 463 (DLC)

Dear Judge Cote:

I represent Jose Baez in the above captioned matter. I write to request a modification of his bond. The government has no objection to this request.

Mr. Baez's current bond allows him to travel only in the Southern and Eastern Districts of New York. I am writing to request that his travel restriction be amended to allow travel to New Jersey. Mr. Baez is a driver for various ride share companies, like Uber and Lyft and these companies require him to travel to New Jersey to pick up and drop off passengers. He provides for his family and has struggled to make ends meet with the restriction on travel. I have discussed this with his probation officer, and he consents to this request. The government has no objection to the proposed modification.

I thank the Court for its attention to and consideration of this matter.
